## ACT 1 - Ariel's Sleepover

*(Ariel is sitting, fiddling with a collection of forks on a table; each fork has a different style or shape)*

**ARIEL** Hmm... this dinglehopper or *this* dinglehopper? *(sees audience)* Oh barnacles! I didn't see you! I was just organizing my dinglehoppers for my slumber party! I'm so excited, I haven't seen my friends in forever... *(sad)* It's just been so hard nowadays... My family's in the sea and I'm on land. It can get really lonely, but I know my friends will cheer me up!

*(Cinderella enters)*

**CINDERELLA** *(looks around)* Ariel?

**ARIEL** *(excited)* Cinderella? *(hugs CINDERELLA)* I missed you so much!

**CINDERELLA** *(confused)* Oh... I missed you too... Is everything alright?

**ARIEL** *(nervously laugh)* ...Of course! Why wouldn't it be?

**CINDERELLA** You just seemed so sad when-

**ARIEL** (*interrupting*) Oh look! I think I see some more princesses.

**(Pocahontas and Jessie enter)**

**POCAHONTAS** Wingapo! Oh my! Are we the first ones? I guess this was just around the riverbend.

**JESSIE** Well, yipee-ki-yay! Pour some sugar on my noggin and call me sweet tea! Ariel! How are you, little lady?

**ARIEL** I'm fintastic! I'm just so glad to see you, girls.

**(Rapunzel, Jasmine, and Moana enter)**

**JASMINE** See, Moana! Magic carpet rides are quick *and* efficient.

**ARIEL** Jasmine! (*hugs JASMINE*) How's Carpet Uber going?

**JASMINE** Amazing! The ratings are off the charts! Moana, Rapunzel, what'd you think?

**MOANA** (*unsure*) It was... good, but I think going by boat may've been better! Air travel is *not* for me.

**RAPUNZEL** I think two can agree on that! I don't have the hair for flying!

**(Elsa, Anna, and Mulan enter)**

**ANNA** *Finally!* They opened up the gates!

**ELSA** I hope Olaf's doing alright, I don't know how long that flurry is going to last.

**MULAN** Psssh... I'm sure he's fine. Mushu's keeping an eye on him.

**ANNA** Doesn't Mushu breathe fire? (*ELSA begins to panic*)

**ARIEL** (*interrupting*) Ladies! You're here!

**MOANA** Right on time, too!

**RAPUNZEL** (*looking around*) Now, who are we missing?

**(Snow White and Belle enter)**

**BELLE** (*head in a book*) And then she kisses the frog-

**SNOW WHITE** I almost kissed a frog once! But Prince Florian stole my heart.

**BELLE** (*looks up*) Hold on! I'm almost done! And then they lived happily ever- (*bumps into POCAHONTAS*)

**POCAHONTAS** Oh! There you are! And I thought *Ariel* was the clumsy one. (*SNOW WHITE giggles and BELLE glares back*)

**ARIEL** It's great to see you, but I thought Aurora was arriving with you... (*confused*)

**SNOW WHITE** I thought she was coming with Mulan!

**MULAN** Don't look at me! I thought she was coming with Moana!

**MOANA** What? Aurora's nowhere near my island! I thought she was coming with Pocahontas!

**POCAHONTAS** I didn't even know she was coming!

**(Princi chatter and Aurora snores)**

**ELSA** Does anyone hear snoring?

**JESSIE** Sounds like Ol' Gamma Nessie after a big turkey dinner!

**RAPUNZEL** No... I think that's Aurora!

**(Princi look around and call for Aurora)**

**JASMINE** *(looking on the side of the stage)* Aurora! How long have you been back there?

**AURORA** *(walks out sleepily and yawns)* Just a few hours.

**CINDERELLA** A few hours?

**AURORA** Well, I got here pretty early, so I found a spot and took a nap!

**JASMINE** How do you just... fall asleep?

**AURORA** *(proudly)* It's a gift.

**ARIEL** Now that we're all here, let's get started!

**(Princi sit down and begin to chatter)**

**POCAHONTAS** It's been so long since I've seen everybody! What have you been up to?

**ANNA** Just a lot of sledding with Kristoff and Sven!

**JESSIE** I've been quite a busy bee! The toys need a lotta tendin' to!

**RAPUNZEL** Wow, your lives sound so exciting! I try to keep myself occupied up in the tower!

**JESSIE** Oh, Rapunzel! What do you do to pass the time?

**RAPUNZEL** Well... just a few things!

**(Rapunzel sings "When Will My Life Begin")**

**AURORA** That was so lovely! It was just like a lullaby, I almost fell asleep!

**MOANA** Was that supposed to be a compliment? *(laughs)*

**MULAN** *(pause)* Ugh! Are we gonna do something? I'm bored.

**SNOW WHITE** *(excited)* How about this! Why don't we-

**ELSA** *(irritated)* We're not baking a pie, Snow. Rapunzel's gluten-free. *(RAPUNZEL nods with sass)*

**SNOW WHITE** *(not convincingly)* I wasn't going to say *that*...

**ELSA** Oh yeah? Well, what you were going to say?

**SNOW WHITE** *(mutters)* Nothing...

**BELLE** Well, I have this great book we could read-

**ALL PRINCI** NOOOOO.

**JASMINE** Why don't we play a game!

**(excited chatter)**

**JESSIE** We could play a round of cornhole!

**POCAHONTAS** Or we could paint the colors of the wind!

**ANNA** OR!!! We could do makeovers! (*snarky*) *Elsa* really needs one. (*ELSA glares*)

**JESSIE** Oh! How fun! Cinder-

**CINDERELLA** (*interrupted*) Yes! Of course I'll host! I'm so glad you asked. (*ARIEL looks confused, but shakes it off*) Ariel, Mulan, and Snow White, you'll be our judges! Now, the rules are simple: find a team, pick a contestant from the audience, and the best dressed princess keeps their crown! Is everybody ready? (*Princi nod*) Alright! Go find your princesses!

**(Princi grab contestants; judges set up)**

---

## PRINCESS DRESS UP CONTEST

**CINDERELLA** Alright ladies! Time's up! Step away from your princesses. Rapunzel, Aurora, and Jessie, tell us about your princess!

**PRINCESS #1 (*little boy*)**

**RAPUNZEL** This here is Princess \_\_\_\_\_! She's a master painter *and* loves to watch the floating lanterns!

**AURORA** And Princess \_\_\_\_\_ doesn't need *any* beauty sleep!

**JESSIE** She's as pretty as a peach and makes biscuits as good as my mama's!

**CINDERELLA** Oh! Well, isn't that lovely! Judges?

**ARIEL** That *shore*-ly put a smile on my face! 7!

**MULAN** Hmm... I don't know. I think Mushu wore it better... 4.

**SNOW WHITE** Oh, but I think it's just splendid! I think I heard the birds singing! 8!

**CINDERELLA** Looks like the judges are really bringing the heat! Belle and Moana, let's see what you brought to the table!

**PRINCESS #2 (*woman*)**

**BELLE** Here we have Princess \_\_\_\_\_! She always knows the best books to read and speaks fluent French!

**MOANA** She also doesn't need a prince to save her, she's one tough cookie!

**BELLE** There certainly is nothing beastly about Princess \_\_\_\_\_.

**CINDERELLA** Wow! There certainly *is* some competition! Ariel, Mulan, and Snow? What'd you think?

**ARIEL** Well, she just looks *fin*-tastic! I do wish there were more pearls though... 6!

**MULAN** You really got down to business, but I don't think the Matchmaker would even make *you* a match... 5!

**SNOW WHITE** Well, aren't you just the apple of my eye! It could use some work though... 7!

**CINDERELLA** Wow... they're really packing a punch! Jasmine and Pocahontas, introduce us to your princess!

**PRINCESS #3 (man)**

**POCAHONTAS** I am proud to introduce the one, the only, PRINCESS \_\_\_\_\_! She loves to go water rafting and talk to Grandmother Willow!

**JASMINE** Princess \_\_\_\_\_ loves playing with her pet tiger and shopping at the marketplace.

**CINDERELLA (shocked)** Oh-oh my!

**ARIEL (appalled)** Why would you do this? I think I've seen Flounder dress better, and he doesn't even wear clothes. 2.

**MULAN MY EYES!!! AHHH!** I thought I was scarred by the war, but this is far worse. -7.

**CINDERELLA** Umm, we can't do negative numbers...

**MULAN** I don't think that rule applies here...

**SNOW WHITE** Well, you may not be the fairest of them all, but A+ for trying! 3!

**CINDERELLA** Um, let's move on, *quickly*. Anna, Elsa, please show us something good!

**PRINCESS #4 (little girl)**

**ANNA** This is Princess \_\_\_\_\_, she loves building snowmen and meeting new people!

**ELSA** In her free time, she loves catching snowflakes with her friends. She's also *totally* ready to be a queen.

**ANNA** And she loves chocolate!

**CINDERELLA** Oh, how enchanting! Judges, what do you think?

**ARIEL** Of all the wonders of the sea, this is the most mer-mazing of them all! 10!

**MULAN** This *here* is a girl worth fighting for! 10!

**SNOW WHITE** Mirror, mirror, on the wall. You're the fairest of them all! 10!

**CINDERELLA** You heard it here, folks! Princess \_\_\_\_\_ is today's winner, you may keep your tiara!

**(Princi return guests to their seats)**

---

**ARIEL** That was so much fun! You girls really helped me get everything off my mind!

**JASMINE** Oh! What's on your mind, Ariel?

**ARIEL (tries to brush it off)** Oh! It's nothing! Ummm, ladies... what should we do next?

**AURORA** Before we do anything, Ariel, we need to get this place cleaned up!

**MOANA** Come on! Cleaning is the worst!

**RAPUNZEL** Well... In every job that must be done...

**BELLE** There is an element of fun...

**AURORA** You find the fun and... (*snap*) snap!

**RAPUNZEL, BELLE, & AURORA** The job's a game!

*(Princi sing "A Spoonful of Sugar" and clean up the stage)*

**JESSIE** (*loudly*) YEEEE-HAW! That was easy, peasy, lemon-squeezy!

**MOANA** It sure was! Now, this place sparkles more than the sea!

**POCAHONTAS** It looks like a whole new world in here!

**JASMINE** A whole new world? I may know a thing or two about those...

*(Jasmine sings "A Whole New World")*

**ELSA** Wow! There is *snow* denying that your singing is amazing!

**ANNA** That pun was *chill*-er!

**MOANA** I *sea* what you did there.

**ARIEL** (*to AURORA*) What are they doing?

**AURORA** They're making puns... (*ARIEL still looks confused*) It's like a joke! A play on words!

**SNOW WHITE** Ariel, do you not know what a joke is?

**ARIEL** (*flustered*) Well! You land-people are hard to keep up with! First, I find out that dinglehoppers are not for brushing your hair, and now, I find out about these... *jokes*?

**JESSIE** Woah, woah, woah! Lil' Lassie, I think you need to calm down. There's a phrase that every princess must learn...

**JASMINE** *Oh!* Hakuna Matata!

**POCAHONTAS** What a wonderful phrase!

*(Princi sing "Hakuna Matata")*

**ARIEL** Oh, I see now! You just need to relax sometimes!

**POCAHONTAS** Well, we all had to learn somehow!

**ELSA** (*sighs*) I love singing with you girls, but I am tuckered out!

**MULAN** I could eat a whole army's worth of food!

**BELLE** Well, Ariel asked Lumier and I to cater! So we prepared some delicious treats!

**ARIEL** Oh, I completely forgot! I can be *such* a seaweed brain sometimes. Let's eat!

*(Princi sing "Be Our Guest" as snacks are served)*

## 10 Minute Intermission

---

## ACT 2 - Ariel's Sleepover

*(Princi gather on stage; Ariel is nowhere to be seen)*

**JESSIE** Gee-whiz! That girl's slower than a herd of turtles!

**ANNA** Leave it to Ariel to be late to her own party!

**CINDERELLA** *(worried)* Umm, girls?

**MOANA** *(slings her arm over CINDERELLA's shoulders)* What's up, Cin-Dawg?

**CINDERELLA** *(slightly annoyed and barefoot)* I lost my shoes! I swear I was just wearing them!

**AURORA** You probably just left them on a staircase again!

**CINDERELLA** No! Look! Your shoes are gone too! *(AURORA reveals her lack of shoes and the Princi gasp)*

**BELLE** Same here!

**ELSA** Ditto!

**AURORA** *(frustrated)* Where are our shoes and *where is Ariel?!*

*(Ariel bursts in from the back of the cafeteria, wearing a shoe as a hat and a bucket of shoes in hand)*

**ARIEL** *(singing)* "Look at this stuff! Isn't it neat? Wouldn't you think my collection's complete? Wouldn't you-"

**BELLE** Ariel! Are those our shoes?

**ARIEL** Oh, these?

**ELSA** Yes, Ariel! *Those!*

**ARIEL** I didn't know they were yours!

**AURORA** Well, *they are!* Why do you have them in the first place?

**ARIEL** It's kind of a long story...

**JESSIE** Thankfully, we've got plenty of time!

**ARIEL** Okay, well... During intermission, I was looking over my collections and realized that my fin-protection one was running low! So I looked around and found some more! I wanted to show you my new additions!

**ELSA** This isn't the ocean, Ariel! You can't just take things!

**SNOW WHITE** Oh, don't be too hard on her! She had good intentions!

**MOANA** And hey! Being barefoot is not that bad!

**BELLE** May we just have our shoes back please?

**ARIEL** Of course! I'm so sorry! *(disperses shoes amongst Princi)*

*(Princi sit)*

**RAPUNZEL** Now, that we all have our shoes back-

**ELSA** That were ever so graciously *stolen* from us!

**ALL PRINCI** Elsa! Let it go! (*ELSA rolls her eyes*)

**RAPUNZEL** Anyway... I was thinking that it just wouldn't be a *proper* sleepover without prank calls! What do you girls say? (*Princi excitedly agree*)

---

## PRINCESS PRANK CALLS

**RAPUNZEL** I'll go first! Who has a phone?

**MOANA** (*jumps up*) Oh me! You can use my *shellphone*. (*hands RAPUNZEL a "shellphone"*)

**RAPUNZEL** (*giggles*) Umm... okay. (*dials a number and puts it to her ear*)

**MULAN** Who is it?

**RAPUNZEL** (*loudly whispers*) Eugene! Shhhhhh...

**MULAN** Who's Eugene?!

**SNOW WHITE** (*loudly whispers*) Flynn Rider! Shhh... he's gonna pick up soon! (*MULAN looks disgruntled*)

**RAPUNZEL** Hello? Eugene? (*giggles*) This is RadioDisney calling to tell you that you won an island surrounded by enormous piles of money, but only if you answer this question... (*RAPUNZEL waves JESSIE over*)

**JESSIE** Erhm... If a cow laughed really hard, would milk come out of its nose? (*Princi try to suppress laughter*) Oh... I'm sorry, that was the wrong answer! (*hangs up and Princi laugh*)

**JASMINE** Oh, I get it! Can I try?

**JESSIE** (*hands JASMINE the phone*) Go ahead! But let me tell you, that was no smooth butter.

**JASMINE** (*dials a number*) Prince Charming? (*CINDERELLA gasps*) Why does Jafar live nowhere near you? (*pauses*) Because then he would be Ja-close! (*Princi laugh as she hangs up the phone*)

**JESSIE** You really had me worried there, but that was hilarious! (*laughs*)

**RAPUNZEL** How about one more?

**POCAHONTAS** I'll go! (*skips over to the phone and dials a number*) Umm... excuse me? Is this Pizza Hut? (*pauses*) Oh, could-

**MULAN** (*shouts*) COULD YOU GIVE ME DOMINO'S NUMBER? (*laughs loudly*)

---

**SNOW WHITE** Mulan! Didn't your mother ever tell you to be quiet when someone's on the phone.

**MULAN** Oh! Come on! I just got excited, I love that one!

**POCAHONTAS** Well, we have to remember that we're all friends here!

**SNOW WHITE** And friends don't ruin each other's jokes...

**MULAN** I'm sorry, Pocahontas...

**POCAHONTAS** (*puts arm around MULAN*) It's alright, you've always got a friend in me.

**(Princi sing "You've Got A Friend In Me")**

**ARIEL** Wow! That really left me speechless!

**MOANA** Again? (*Princi laugh*)

**MULAN** Sorry, Pocahontas. Again...

**POCAHONTAS** It's alright, at least you didn't raid my homeland...

**ANNA** Or propose just so you could rule a kingdom...

**AURORA** Or make a magic spinning wheel that makes you fall asleep for a hundred years...

And let me just say, you have some pretty weird dreams.

**CINDERELLA** Well, you know what they say about dreams...

**(Cinderella sings "A Dream Is A Wish Your Heart Makes")**

**AURORA** Huh! I guess a dream really is a wish your heart makes!

**BELLE** That was beautiful, Cinderella! It's my favorite song!

**CINDERELLA** Thanks, Belle. I didn't know you were such a fan!

**BELLE** Well, once you read all the books you just *have* to go see the movies. Yours is one of my favorites!

**CINDERELLA** Wait, I'm not in a movie...

**BELLE** (*nervously*) Umm... yeah! Totally! I just meant that I've heard you sing it before!  
(*whispers to audience*) They don't know yet. Shhhh...

**JESSIE** Well, it really was lovely! I think we need to spice up this sleepover though...

**MOANA** Oh! Let's-

**ANNA** Make ice sculptures?

**AURORA** Have a pillow fight?

**MOANA** No! We should have a dance party!

**JASMINE** Oh! How about we get into three groups and invite some of the princes and princesses from the audience to join us!

**ARIEL** Sounds *mer-iffic*!

**(Princi get in three groups and gather kids from the audience to dance with them)**

---

## DANCING WITH THE PRINCI

**Jessie, Anna, Elsa, and Mulan walk onstage with a few princes and princesses and dance to a few seconds of Old Town Road. (Princi who are not onstage should sway to the music.) Princi high five the kids and bring them back to their tables.**

**Snow White, Cinderella, Aurora, and Belle walk onstage with a few princes and princesses and dance to a few seconds of Classic (by MKTO). (Princi who are not onstage should sway to the music.) Princi high five the kids and bring them back to their tables.**

**Ariel, Moana, Pocahontas, and Rapunzel walk onstage with a few princes and princesses and dance to a few seconds of Surf Crazy (from Teen Beach Movie). (Princi who are not onstage should sway to the music.) Princi high five the kids and bring them back to their tables.**

---

**ANNA** That was so much fun!

**POCAHONTAS** Yeah, it was supercalifragilisticexpialidocious!

**SNOW WHITE** Umm... excuse you?

**ANNA** No, silly! She said it was *super-cali-fragi-listic-expi-ali-docious!*

**JESSIE** Here, lassie. Maybe this will help!

**(Princi sing "Supercalifragilisticexpialidocious")**

**SNOW WHITE** Oh! I think I get it now!

**ARIEL** (*sadly*) I don't want to bring down the mood, but I need to tell you girls something.

**JASMINE** Ariel! What's wrong?

**ARIEL** (*sits down*) I've been so lonely lately. It's been so hard without my family, I'm seasick!

**ELSA** Oh Ariel! Is that why you invited all of us to your sleepover?

**ARIEL** Yeah... I was hoping that you girls could help me feel better about not seeing my family, but I think I realized something else...

**ANNA** What was that?

**ARIEL** That you princesses are my family too! I may be sad that I can't see my family, but I can see you girls anytime I need to. It's important to have good friends like you!

**MOANA** Well, now I'm gonna cry!

**JASMINE** I think we need to have a group hug!

**(Princi give Ariel a group hug)**

**ARIEL** Thanks girls! It's just so hard to not be a part of their world...

**POCAHONTAS** Oh Ariel! Tell us about it!

*(Ariel sings "Part of Your World")*

**JESSIE** *(wiping away tears)* Ariel, that was just beautiful!

**JASMINE** It really was

**ARIEL** Thanks girls, but we don't have to be sad! I'll see them again one day!

**BELLE** We need something to cheer us up!

**SNOW WHITE** Oh! I know a song that'll cheer us up! Elsa?

**ELSA** Oh, I don't know guys...

**BELLE** Pleeeaaaasee!

**ELSA** It's just been so long! Nobody likes "Let It Go" anymore... *(AURORA snores)*

**MOANA** Really Aurora? There's a time and place!

**AURORA** *(wakes up startled)* Girls! I just had the best dream!

**ANNA** Can it wait, Aurora? We're trying to get Elsa to sing "Let It Go!"

**AURORA** But that's just it! *We were singing "Let It Go!"*

**ANNA** *(excited)* Now we *have* to sing it! Please Elsa!

**ELSA** Oh okay! But only if the princes and princesses sing with us!

*(All Princi and audience sing along to "Let It Go")*

**ELSA** That was the best version I've ever heard! And I would know, it's my song!

**AURORA** I do agree that it was wonderful, but it's almost time for bed!

**MULAN** Oh! She's right! Well, remember that you can do anything you put your heart to!

**ARIEL** And that you always have family or friends to rely on!

**SNOW WHITE** Thank you all for coming! You truly were the fairest audience!

**AURORA** Don't forget that anything can happen when you dream!

**RAPUNZEL** Or *wish!*

*(Princi sing "When You Wish Upon A Star")*

**ALL PRINCI** And may you all... live happily... ever after!

**AND THEY LIVED HAPPILY EVER AFTER!!!**
